museum

EXPERIENCE TAPESCAPE -
an unusual and interactive
indoor landscape made entirely
out of plastic wrap and packing
tape stretched over a huge
metal frame!

THIS SUMMER, DON'T MISS TAPESCAPE - A UNIQUE PLAY ENVIRONMENT AND CREATIVE ART INSTALLATION ON DISPLAY FOR THE FIRST TIME IN CANADA AT THE CHILDREN'S MUSEUM.

Exploring this unpredictable and one-of-a-kind
exhibition is sure to spark kids' creative learning!

FUN FACTS

- *TapeScape* will use over 30,000 km of packing tape - that's almost enough to span the Earth's entire circumference
- Installation requires 50-60 volunteers and takes over 300 hours
- Plans include *TotScape* - a section for children of all abilities
