

RUN! JUMP!

FLY!

ADVENTURES IN ACTION

ACTION-PACKED ADVENTURES BEGIN MAY 27

To coincide with our newest travelling exhibition *Run! Jump! Fly! Adventures In Action™*, the Children's Museum presents a series of curriculum-linked school programs individually tailored for grade levels N-5. *Run! Jump! Fly! Adventures In Action™* stimulates young minds and bodies while simultaneously boosting physical development, promoting a healthy lifestyle, and activating cognitive development.

MOVING & GROOVING (PRESCHOOL & KINDERGARTEN)

How many different ways can you move? Let's explore and experiment with silly poses as we talk about how we can get active. Create and showcase your own signature poses as we team up to make our very own collaborative dance!
Supports Physical/Health Education and Arts Education learning outcomes

TREASURE TRACKERS (GRADES 1 & 2)

X marks the spot! Get moving and use your map reading skills as you uncover hidden treasures in our museum galleries. Later, you become the map maker as you use your imagination and memory to create your very own treasure map!
Supports Social Studies and Physical/Health Education learning outcomes

OPERATION: TEAMWORK! (GRADES 3 & 4)

What makes a great team? Let's work together and find out! Today you will put your teamwork to the test as you try to overcome wacky challenges, and complete a group construction project. Get ready, you might be caught working in some silly situations!
Supports Physical/Health Education and Arts Education learning outcomes

ALL SYSTEMS GO! (GRADE 5)

Can you name the different systems in the human body? Do you know how they work together to help us stay healthy and strong? Put your creativity to the test as we explore the different systems in our bodies and what they help us do!
Supports Science and Physical/Health Education learning outcomes

AVAILABLE FOR A LIMITED TIME ONLY

All programs are only \$4.75 per student.

To book your classroom's visit, call 204.924.4005, contact schools@childrensmuseum.com, or submit an online School Program Booking Request Form at childrensmuseum.com
