INSTRUCTIONS

1. Starting with a pre-cut Gingerbread Man shape, attach a piece of yarn in a loop to the back of the Gingerbread Man using painter's tape.
2. Glue on googly eyes.
3. Use cotton swabs or fingerpaints to paint your Gingerbread person. Make little dots for buttons, swirly designs around the edges for piped frosting, and more!
4. Glue additional construction paper shapes to your Gingerbread Man to simulate gumdrops, scarves, holiday sweaters, and more - or use crayons to decorate your Gingerbread Man even more!
5. Once your Gingerbread Man is complete, leave it to dry. When dry, it can be hung up as holiday ornament on a tree or anywhere in your house!
