

NATURE PAINTBRUSH

Explore your artistic and scientific sides by creating your very own paintbrush! Create your own original masterpieces while experimenting with different materials!

SUPPLY LIST

- Material for Paint Brush (leaves, grass, ferns, etc.)
- Dowel
- Tape
- Washi Tape

INSTRUCTIONS

1. Head outside and collect materials to use for your paintbrush. Be sure to wash and dry whatever you collect!
2. Use tape to attach the materials for your paintbrush to your dowel.
3. Decorate using washi tape to give your paintbrush some added flair.
4. Pour your paint, grab a piece of paper, and get creating!

Additional Tips:

Create multiple paintbrushes and experiment with each to see the different lines, shapes, and textures that different materials will create!
