

FEATURE ACTIVITY

CASTLE STICKER

What fantastic tales will you tell with your Castle Sticker?

SUPPLY LIST

- Scissors
- Glue
- Markers
- Coloured Paper
- Craft Jewels
- Foam Sheets (1 with sticker back)

INSTRUCTIONS

1. Cut a piece of craft foam to the desired size. This piece of foam should have a removal sticker back so that you can place your finished sticker somewhere later! Use this piece as the base.
2. Cut other pieces of foam into desired shapes to create the image on your sticker. Design and build your very own castle! Use glue, or remove the sticker backing from these pieces of foam to attach them to the base of your sticker.
3. Add extra flair to your sticker by decorating with markers, different coloured paper, and craft jewels.
4. Once your sticker is complete, place it somewhere for all to see!

Additional Tips:

Create a series of stickers which tell your own fantastical story!
