

## MELTED SNOWMAN

### SUPPLY LIST

- Shaving Cream
- White Glue
- Construction Paper (various colours)
- Scissors
- Glitter (optional)

### INSTRUCTIONS

1. Cut pieces of construction paper to make a hat, carrot nose, eyes, arms and buttons
2. Mix equal parts shaving cream and glue in a bowl (2 big tablespoons of glue, 2 big tablespoons of shaving cream for 1 snowman)
3. Scoop out the mixture onto a piece of construction paper
4. Add the construction paper pieces (hat, eyes, nose, arms, buttons) to the mixture to build your snowman
5. Add glitter (optional) on top
6. Wait for it to dry and harden and you've got yourself a melted snowman!

### TIP

If you want to embellish it further, you can use real buttons or pompoms for the buttons, googly eyes, real twigs for the arms and felt for the hat.
