Event Summary

Opportunity Summary

We need enthusiastic volunteers to help during our Spring Day Camp. Volunteers will help deliver programming (i.e. activity station, snack station) as well as assist with any setup and cleanup. Spring Day Camp volunteers engage with the participants and ensure that everyone is having a positive, fun-filled, and enjoyable experience.

Please note that Day Camp volunteers need to have completed their training and volunteered a minimum of four shifts prior to volunteering for Day Camp. Priority will be given to interested volunteers who are available to volunteer for the whole week.
