

## VALENTINE'S DAY MASCOT

### SUPPLY LIST

- Red or Pink Construction Paper
- White Construction Paper
- Glue
- Scissors
- Marker

### INSTRUCTIONS

1. Start by getting all your pieces ready:
  - One large heart for the body
  - Four small hearts for the hands and feet
  - Four strips of paper for the arms and legs
2. Fold the strips of paper like an accordion
3. Glue two of the strips to the bottom of the heart (for the legs) and the other two strips near the middle of the heart (for the arms)
4. Glue the small hearts on the ends of the strips to make the hands and feet
5. Draw on a face with a marker, and voila! You've just made yourself a Valentine's Day Mascot!

### TIPS

- Use googly eyes to make your Mascot's features stand out
- A bit of glitter never hurt anybody! Add some sparkle to your mascot and make it extra special!
