What Am I Supporting?

Proceeds generated enable the museum to enhance exhibits, create educational programs, and help fund our Access Programs - including the [Free2Play Access Program](#) and the [Explore-Abilities Access Program](#) - which provide free museum visits to under-supported children in our community.

The Children's Museum is a registered non-profit children's charity #10348 0943 RR0001 that relies on earned revenue, including donations received through our fundraising events, to cover approximately 90% of our operating costs. As such, your financial support is extremely meaningful.
