ABOUT THE CHILDREN'S MUSEUM

The Children's Museum exists to spark kids' creative learning. As a non-profit charitable organization, we believe in the potential of all children and provide an interactive learning environment that nurtures the power of imagination and spirit of self-discovery. For over 35 years, we have been the place for families to play, laugh, learn, and grow. The Children's Museum is a registered children's charity that relies on earned revenue, including donations received through our fundraising events, to cover approximately 90% of our operating costs.

WHAT YOU WILL BE HELPING TO ACHIEVE

Proceeds generated by this fundraising event will enable the museum to enhance exhibits, create educational programs, and help fund our Access Programs - including the Free2Play Access Program and the Explore-Abilities Access Program - which help to provide free museum visits and programming to under-supported children in Manitoba.
