

PERMISSION TO USE IMAGE AND VIDEO AGREEMENT

We love your image/video/caption and know others will benefit from seeing it on our website, social media channels, eNews & other channels. As you consider allowing us to publish your image/video/caption, we want to ensure you know how we intend to use it.

By replying to our comment with #childmuseumwpg (therefore, providing your permission), you represent and warrant that you own the image/video and there are no other entities with ownership claims over it.

You grant Manitoba Children's Museum Inc. a non-exclusive and non-revocable commercial right to reproduce the image/video/caption in any form (including, but not limited to, video, internet posting, reproduction, display, email, publication, and distribution), either through our own services or services provided by third parties, throughout the world in any medium now known or later developed and without restriction or limitation.

You agree that your image/video/caption may be used by Manitoba Children's Museum Inc. either alone or in conjunction with sketches, cartoons, captions, films, art work, textural matter or other photographs. While Manitoba Children's Museum Inc. will make commercially reasonable efforts to give you credit for your photo/caption and provide a link back to your account, you agree that such credit is not mandatory and your permission for us to use your image/video is not contingent upon such credit being given.

You waive any right to inspect and/or approve the finished work incorporating the image/video/caption or the advertising copy that may be used in connection therewith or the use of which said finished work may be applied. Further, you waive any claims to royalties with regards to your image/video/caption or our finished work.

Last, you agree that if any provision, or any portion of any provision, contained herein is determined to be invalid under any statute or rule of law, then it shall, to that extent alone, be deemed omitted, and the remainder of this Permission to Use Image and Video Agreement shall remain in full force and effect. This Permission to Use Image and Video Agreement shall be governed by the laws of the province of Manitoba.

If you don't agree to these terms, we completely understand, and no further action is required. We are thrilled to see Manitoba Children's Museum Inc. as a part of your page and look forward to seeing any new photos you post as well. Thanks again and please email us at marketing@childrensmuseum.com if you have any questions.
